

7374 Las Positas Road, Livermore, CA 94551-5110

To our customers, distributors, and employees:

We are pleased to announce the appointment of Nathan Asher Hallquist to the position of Executive Vice President, effective March 4, 2019. With this appointment LSTC renews its commitment to the business model that our customers and partners have long valued and come to expect.

Nathan has been with LSTC for many years, and his credentials make him an excellent choice on both the technical and business levels for our continued success and growth.

In this position he will support our core mission of technical excellence while offering a fresh focus on overall user experience. He believes that the two keys to our ongoing success are, first, a commitment to produce a scalable, multi-physics, analysis solver implemented within a one-code, one-model, one-license, philosophy and, secondly, a commitment to continue our unique approach to relationships with distributors, customers, alliance partners, and the broader engineering and scientific communities.
